

2008 ATA Trade Show HOTEL BLOCK MAP & INFO

The Hotel Block is available on a first come, first served basis and is open to ATA MEMBERS ONLY until October 1, when the block will open to all trade show attendees. Members who have their hotel block passcode are able to book an **online reservation** or call the housing bureau at 317-684-2573. You may also download and fax a completed **Housing Bureau Form** to 317-684-2492. All hotels listed on this page excluding the Marriott, Westin and Hyatt will have shuttle service to/from the Convention Center during show hours. Please call the ATA if you do not have your passcode at 866-266-2776 x201.

AS OF NOVEMBER 13, 2007, MANY HOTELS HAVE SOLD OUT OF AVAILABLE ROOMS IN OUR BLOCK.

We added two more hotels - Conrad and Sheraton City Center in order to accommodate more attendees. In addition, the Hilton Garden Inn and Omni Severin still have available rooms (as of November 13, 2007).

The reservation center (both online and by phone) has the most up to date information about which hotels are still available. Please remember to make your reservations prior to December 18, 2007. The hotel block and housing bureau will no longer be available after that time.
